## About US

From more than 25years in dried fruits industry of Mr.Suwat Lerviriyaphan, the business founder and CEO of GCF International Co., Ltd. the company has been, so called, a master of dried fruits specialist in Thailand. With no doubts, experiences have turned us into expertise in the business. Apart from knowing well about the delicate dried fruit production processes, GCF always takes the customer's demand as the priority - we are always working hard to get the insight of what customers want.

We are committed to provide reliable, loyal service and quality products, and at the same time, being responsive, innovative and customer-oriented in which we aim to meet with customer's expectations. With the long experiences and depth knowledge gained, GCF has established its presence in the export industry and remained one of the significant dried fruit suppliers and exporters in Thailand serving customers in all continents of the world

## Mission

The World of dried fruits will never be complete with just only winter fruits, but tropical fruit that counts. We have a strong mission to fulfill global dried fruit market with wide range of our quality & tasty tropical dried fruits.

## Vision

GCF aims to reach 1000 containers per year of dried fruit export in the year 2025
